It's important to know the model of Yealink phone you have before making your choice.

The wireless headsets below will be compatible with the following Yealink desk phones.

- T41S, T42S, T46S, T48S, T43U, T46U, T48U, T27G
- T53, T53W, T54W, T57W, T58A, VP59, T56A, T58A, T55A
- MP54, MP56, MP58 (WH66/WH67 only)
- **T30P, T31P/G, T33P/G (These models require EHS35)**

The Yealink wireless headsets below are 100% compatible with your Yealink desk phones listed above, and you will be able to answer/end calls away from the desk from your headset, WITHOUT any additional accessory.
