

# WTCO INTERNATIONAL TRAVEL PACKS

## Stay Connected Overseas Without The Bill Shock

Travelling overseas? WTCO International Travel Packs provide included data, calls and SMS in supported destinations, helping you stay connected with predictable roaming costs.

### Travel Pack Comparison

| Pack               | Data | Calls    | SMS     | Validity | SMS Code |
|--------------------|------|----------|---------|----------|----------|
| 3GB BizTravel Pack | 3GB  | 300 mins | 300 SMS | 3 Days   | ROAM3    |
| 5GB Travel Pack    | 5GB  | 30 mins  | 30 SMS  | 7 Days   | ROAM5    |
| 10GB Travel Pack   | 10GB | 60 mins  | 60 SMS  | 14 Days  | ROAM10   |

Activate your chosen pack by sending the SMS keyword to 179 after arriving overseas.

### How To Activate

1. Arrive in a supported destination.
2. Connect to a roaming network.
3. Wait for the welcome SMS.
4. Send ROAM3, ROAM5 or ROAM10 to 179.
5. Wait for the activation confirmation SMS.
6. Start using your Travel Pack.

### Wi-Fi Calling & SMS

Enable Wi-Fi Calling before leaving Australia to make and receive calls and SMS over Wi-Fi when mobile coverage is limited.

iPhone: Settings > Phone > Wi-Fi Calling > On

Samsung: Settings > Connections > Wi-Fi Calling > On

## Check Your Balance

SMS BAL to 179 to check your remaining data, calls, SMS and pack expiry.

## Frequently Asked Questions

### Q. Can I call Australia?

A. Yes, included call allowances can be used to call Australia and supported destinations.

### Q. Can I activate another pack?

A. Yes. Additional packs can be activated when required.

### Q. What if roaming is unavailable?

A. Consider a local SIM or eSIM solution in unsupported destinations.
